

LinkedIn is an American business and employment-oriented online service that operates via websites and mobile apps. Launched on May 5, 2003, the platform is primarily used for professional networking and career development and allows job seekers to post their CVs and employers to post jobs. LinkedIn is the world's largest professional network on the internet. You can use LinkedIn to find the right job or internship, connect and strengthen professional relationships, and learn the skills you need to succeed in your career. You can access LinkedIn from a desktop, LinkedIn mobile app, mobile web experience, or the LinkedIn Lite Android mobile app.

A complete LinkedIn profile can help you connect with opportunities by showcasing your unique professional story through experience, skills, and education.

"The mission of LinkedIn is simple: connect the world's professionals to make them more productive and successful."
